This is an internet scavenger hunt. Answer the questions by using a search engine to locate the requested information. The goal of this lesson is to build your research skills and your ability to find reliable resources when asked to research a topic.

Submit your answers using the QR Code or website listed below. Only submit answers for your grade level. Two students (one middle school and one high school student) will have their name drawn for the weekly prize!

Answers are due by Saturday, April 4, 2020.

**QUESTIONS FOR MIDDLE SCHOOL (6TH - 8TH) STUDENTS**

1. Monopoly is a very popular board game. Name the city the game was named for.
2. What type of angle measures less than 90 degrees?
3. URL is another name for a website. What does it stand for?
4. What are the three (3) branches of government?
5. How many feet are in a meter?

**QUESTIONS FOR HIGH SCHOOL (9TH -12TH) STUDENTS**

1. If you need a letter of recommendation from someone at your school, who would you contact and why?
2. Where do you go to apply for financial aid? What is the deadline?
3. Where do you find updated information about ACT/SAT testing dates?
4. Where can you go to get a list of scholarships that are available?
5. What college/university are you interested in attending? What is the website?
